A woman with long, dark, wavy hair is posing for a photograph. She is looking over her shoulder towards the camera with a slight smile. She is wearing large, ornate hoop earrings and a red, thin-strapped bikini bottom. Her skin is oiled, giving it a glossy appearance. She is standing in a white, brightly lit space, possibly a bathroom or a studio. The entire image is framed by a thick red border.

DRUUNA & TREVOR

It's been two weeks since my 40th birthday and I'm still waiting for my present. I can be very affectionate to a man that gives me a little something for my attention and affection. I don't really want much, just a little bangle to show your appreciation for the blow jobs, hand jobs, finger-fucks and all the orgasms cumming your way.

Trevor brought me a nice little thing this morning and just look at what I'm doing for him. Yes, it is something special because all the sex I give is something special. I can be yours, too, taking that last load right into my big, beautiful, waiting mouth. Yummy.

Dear editor:

I'm writing because I saw your magazine in my husband's briefcase last week and decided to look through it. I must admit that I've seen this type of magazine before but that was in the Eighties. I don't remember things being this explicit back then. Anyway, I'm okay with the sex, but do want to comment about the facials that you show. I like them. Well, actually I kinda learned to like them because of how it makes my husband feel. So we talked about it and I finally decided to let him do it. It took several times for me to get used to it, but now I accept it as part of our sexual lovemaking.

Now when he's ready to cum, to get a facial without opening my mouth and trying to catch some cum on my tongue wouldn't be very much fun so I open up to give him something to aim at. It's not always accurate, but that's fun and we laugh about it. When it does get into my mouth the taste is something I have come to accept and appreciate. I can appreciate the taste because it is him, unique to him which makes it all the more intimate for me. We have discussed several different foods that he could eat to see if the taste of it changes and I may like it a little better. Pineapples and oranges seem to make his semen a bit more flavorful for me. He has so much fun when we do this that his enjoyment is catching. It is quite nice to be the center of attention for such an intimate act. And of course I swirl my tongue around licking it off to increase the wideness of his eyes, and the pleasure I know he feels when I do it. When we kiss afterwards and I still have some semen in my mouth, it increases the level of our passion.

At first I swallowed completely, then I would leave just a few drops in my mouth and kiss him; asking how it tasted to him. He found it tolerable and so I would leave more and more in my mouth so he got used to it, too. We never thought much about snowballing for the sake of snowballing just enjoying kissing with a little something extra in the mix. That was pretty intense. *(Ed. — Snowballing is when a woman has semen in her mouth after felatio and shares it in a kiss with her man.)*

Dear 40+,

When I see your pictorial with the couples having sex in the outdoors that really turns me on. I live just outside of Houston and we have a lot of heat and humidity. I'm very lucky because the lady I'm married to also likes to fuck outdoors and she likes sliding her sweaty body against mine. When my wife sweats a leaves that little pool on her belly, it just makes me more hot.

Summer sexing has been great this summer, and we're looking forward to many more like this one. In the past, sometimes we would only have sex at night and not more than a couple times a week. In the past month, we had only missed three days. It has been the most incredible experience I have ever had, and I hope I'm speaking for my wife, too. Day or night does not matter to me anymore, lights on is always good too.

We're getting ready to celebrate 11 years

I can never see enough titty-fucking in men's magazines, so when I caught a glimpse of Bella Blaze's magnificent boobs being fucked, I nearly blew my load. Well actually, I did blow my load shortly afterwards as I watched her boobs hanging low in her doggy style fuck. You've got to run more pictures like these. There are a lot of us guys who want it.

together and are finally getting a night without kids, home or phones. I am very excited about it. So to all of you living in the heat... go on, get sweaty. It's a lot of fun and you can always shower it off.

— Baron G., Houston

Hey guys,

My wife has turned out to be the coolest chick on earth. We've been married for years and we're both over forty, but very young looking and acting forties. When we felt our sex life had become just a bit boring, we tried to liven it up in different ways. Lately, she's decided to become a "dominatrix." But what does your mind conjure up? For most people, it's a woman donned in black leather or vinyl lingerie, black stiletto thigh high boots, and she's carrying a whip. Please let me go ahead and say that we are not into a lifestyle or sexual inclination involving pain or humiliation, but for those that are, that's fine.

Editor, we want to tell your readers that domination play can be fun! How would it feel ladies, to turn the tables on your boring husband? Take a minute to think about it, especially you women out there who are sexually timid.

So — I come home from work one day to find her cooking dinner like usual, except that there is something slightly different, and at first I can't figure it out. She greeted me with a kiss and hug, then whispers in my ear that tonight I'm hers. Her hand lightly grazed my pants as she headed back to the stove to finish cooking — and for the rest of the evening whenever she passed me, she'd grope me or give me a sly look. After dinner, we left the dishes on the table and the pots and pans in the sink,

and she told me she expected me in the bedroom in five minutes.

When I came looking for her, she shuts the bedroom door behind me and locks it. Then she pushed me up against the wall and started to kiss me passionately as she undressed me. I tried too help but she gently slapped my hands away and looked at me sternly in the eyes. When I was nude in front on her, she grabbed my cock, already hard from all

Bangin' Mia Bangg

Dear editors,

Thank you for a marvelous pictorial of Mia Bangg in your last issue. She is one of the hottest women I have seen. It's not just her looks, but it looks like she really likes to fuck — and get fucked. Not like real life where these women just go through the motions and then expect the world because they let your cock into their mouth or pussy. I'm not complaining, but you guys know the type.

This world needs more chicks like Mia. Ones that you can fuck and they'll fuck you back with the same excitement and fever that you put into it. What's even better about Mia, is that she like her ass fucked. Now that is something all of us guys want to do but that is a very rare position to find yourself in. If you ever can get into a woman's ass, then by all means do it. It's one of the best fuck feelings you'll ever have. Thanks for hearing me out.

the stuff that went on beforehand, and said that she is going to take the evening exactly where she wanted it to go. Damn, I thought to myself. The she tell me to undress her slowly. Everything she has on is easy to get off. She must have thought that out, too. I undo her zippered dress from the back and it slides to the floor. I undo the front bra clasp and her great boobs pop out. She's not

wearing undies so she takes me over to the bed and pushes me down on the bed and straddles my face so I can lick her. All the while, she's reached forward and is stroking my cock so my licking becomes more fervorous (is that a word?).

She bends down and switches her hand for her mouth all the while leaving her pussy on my face to lick and suck as we sixty-nine. I make the most of it for her pleasure as I feel her sucking my cock like never before. I don't feel like I need to go into the specific details of the rest of the night, but you get the gist of it. I was one hot night and it didn't end until four in the morning. Now most of you guys know it's difficult for a 40+ man to cum more than once, but she milked two big and one small jizz out of me that night. That's something that had not happened in over ten years. I think I made her cum at least four or five times!

– Dillon, Omaha

Dear 40+,

I've bought your magazine, not only for the pictorials but for the free movies that you have. And they are hot. It's pretty cool to see the sex in pictures, then have it come alive on video. Good thinking guys, and girls. But what I want to write to you about, because it came to me watching one of the videos, is that my wife (married 24 years) doesn't make any sounds when we fuck! For a while, early on, I thought it was a little weird, but came to accept it. Then it was fine because we didn't want out kids to hear us since they were in the next room. So lately, now that the kids are gone, I've been asking her to be a bit noisier, like moaning, if something feels good.

I finally convinced her to watch some porn with me so she can hear the girls, and guys, there moan and groan and maybe she'll pick up on it. So one night as we were snuggling on the sofa, I pulled the computer out and we looked at some innocent stuff and I gradually led her into some porn and she was agreeable to view it. I had downloaded one of your scenes where the gals were especially vocal, and we watched, talking about the sex and the groaning and she seemed to understand that it was okay to scream when she was cumming. It was okay to let out a "Yes, right there!" when I hit the spot. It was okay to say "Fuck me harder." (although I usually fucked her hard enough).

Now here's the good part. She has become wilder and more sexually active since she's started becoming more vocal. I love hearing "Yeah, baby," at the top of her lungs, over and over again. She has really let loose but I tell her that we'll need to practice a little more.

– Adam, Sacramento

I'm not a nurse in real life, but I do like playing one in the movies. I like to bring life to the characters I play and being a nurse gives me the chance to do some rather kinky stuff to people. And they can't complain at all because I'll just say that the doctor ordered it. Ah, yes, it's great playing a nurse. Now strip down and bend over!

It was another tough day on the set, full of Alex's cock in my mouth and in my pussy. If it wasn't for that, I probably would have been at the beauty salon getting ready for my date with a hunky movie producer that promised to make me a star if only I would dress up as a nurse and give him an enema. Okay, I gotta go now and find my kit.

TAYLOR & SCOTT

Ever since I moved to Los Angeles twenty years ago, my sex life has been the bomb. Especially since I got into this business and I can have sex anytime I want with almost anyone I want. That's been a dream come true for me and I've loved every minute of it. Like this shoot, for instance. Just look at Scott. He's a blond hunky California guy with a thick hard dick and today, he's mine.

Wow, this was great. I had a blast today with all the sex and fucking. We must have gone at it for three hours or more. By the time he finished with my pussy and mouth, I wanted my asshole fucked so bad, I started without him until he was ready to do me. And man, did he do me right. I think I'm going to sleep well tonight.

What could be better?

She then broke our suction and told us both to strip.

Standing with her hands on her hips, legs slightly spread, she looked like a naked super heroine ready for battle.

Brianna has always fantasized what it would be like to have two men at the same time. I suggested making my wife's fantasy a reality. But when an old high school bud of mine went to work at my office, I thought it would be a perfect time for her to experience it. Issac is in the marketing department. He's my age and a bit smaller, but very personable and quite energetic. Since he's joined the company, I found that I like him because we have many of the same interests and he's a hard worker. Even though we're not in the same department, I've had meetings with him and his group and feel that I can trust him.

It turns out that he also dated Brianna before me, then he and his parents moved to another city. I met and fell for Brianna about a year after Issac moved. I told Brianna that he had joined my firm within a couple days of his coming. I explained that if we were to do a threesome, I'd be okay with him as the other guy. She again expressed her reluctance to engage in a three-way, but I could tell that she was intrigued by the thought that it might be Issac.

I don't know why she won't do a three-way with other women, I've told her not to worry because, she is the most beautiful woman in the world as far as I'm concerned, and I will follow her to the end of the earth if need be. I've jokingly told her, "You can pick out the girl," and then we would laugh. "I don't need anyone but you sweetie, because I love you so much! I would be a fucking fool to mess up our relationship by doing something you didn't approve of!" Brianna feels the same. We love and trust each other completely.

Brianna is about little shorter than me and I'm 5 foot 10 inches. She has a tan complexion, with perfect 34D breasts that have brown, and the long hard nipples that poke out when it gets cold or she is excited. One morning I woke up extremely horny. I went down between her legs and began munching on her wonderful hot pussy. After eating her pussy for about thirty minutes, I

rolled her over and slid my throbbing dick into her hot pussy, and fucked her doggy style. I fucked her as hard as I could, but didn't bring her off, so I concentrated on my own orgasm as it was getting late. Later that day she called and said she was so fucking horny from the morning's escapades that she wanted to stop by my office and she'd fuck me again.

I thought this would be the perfect time to fulfill Brianna's fantasy and decided to initiate the threesome. When I saw Issac at the office, he was heading home for the day. I went over to him and asked if he had plans for the next few hours. When he said he didn't, except to pick up the pizza he had ordered for dinner, I asked him if he would help me fuck my wife. He looked at me with his jaw dropped down and asked if I was joking. I told him I wasn't and that she was on her way over to fuck me. He was somewhat skeptical that I was telling the truth and decided to hang around and see in indeed I was. I asked if he would lock up and go back to his desk until we were ready. I'd call him on the intercom when the coast was clear for him to join us.

About 6:16 my cell phone rings and Brianna is at the office door, I go to let her in and she placed her hand on my waiting hardon and tells me to get undressed. I

tell her that I've asked Issac to stay and join us if she is ready to try it tonight. She blushes and pauses to think for a second. I didn't think she was going to go for it. She thought I was kidding, but when I called Issac into the office, she had a look of hesitation in her eyes. She looked at Issac then back at me, and poor guy didn't know what to do or say at this point. Then I realized I was going to have to make the first move, so I reached over grabbed the front of her top and quickly pulled it up over her head. She wasn't wearing a bra and instinctively covered her boobs with her hands. Realizing there was little she could do but go with it, she dropped her hands and unbuttoned her slim skirt and let it drop to the floor. Her sexy black lace panties were revealed as I looked at Issac taking this all in.

She looked Issac right in the eyes and said told him to come over and take her panties off. In two large, quick steps he was in front of her, dropping to his knees as he pulled them down and off her feet. Rising up, he puckered his mouth around her gorgeous nipple and sucked it into his drooling mouth. Not wanting to be left out, I squeezed her other breast, taking her beautiful button between my teeth, and rolled it back and forth. Brianna flung her head, and arched her back, sticking her chest out, like offering her prize possessions to the winner! Issac and I nibbled and sucked, coating her gorgeous boobs with our wet mouths. She moaned softly, taking in the fact that she had two men devouring her jutting breasts. Her breathing became heavier; she was enjoying the sensation of having both her tits sucked on at the same time! She leaned her head back and growled with pleasure. She then broke our suction and told us both to strip. Standing with her hands on her hips, legs slightly spread, she looked like a naked super heroine ready for battle.

I ripped my clothes off and Issac wasn't far behind. He released her tit, as he ripped his clothes off, and was ready for action! We stood there looking at each other, breathing heavily, our hearts pounding with adrenaline, our blood coursing its way to our engorged cocks. Our brains were no longer in control of our bodies. Issac and I looked at each other, and attacked her at the same time! We wrestled her to the floor, he went for her

heaving chest, and I went down to her gorgeous pussy, and lapped at her hot cunt like a starving dog. I shoved my tongue as far as it would go, curling it around her sensitive clit. Then her body started quivering, and twitching, her stomach muscles contracted, forcing her blood to her swelling clit, and she exploded with such force! Brianna's body went limp, but not for long as Issac kept licking and sucking her tits. He then got on his knees, and rammed his cock into her drooling mouth. As Issac fucked my hot wife in the mouth, I grabbed her ass, and slammed my meat into her quivering pussy.

Moments later I told Issac it was time to switch. I pulled out of her, and Issac pulled out of her mouth. We fucked her in as many positions as the three of us could dream up until we men sensed she was about to cum. Her body was literally vibrating from our pounding and she was ready to explode. Her body tensed and let loose a mind-blowing orgasm that must have shook the building. Not long after she went into spasms, Issac yelled out that he was going to cum! I felt him spasming inside her cunt, which triggered my own orgasm. I pumped what seemed to be gallons of jizz into her hot mouth as Issac filled her pussy with his man juice.

We laid out spent on the office floor in the middle of our clothes debris. Chairs and tables askew and toppled like the aftermath of a hurricane. Issac finally got up and said he'd go to get the pizza he had ordered if we would stay and do it all over again. Sex and pizza. What could be better?

30+ MILF PRESENTS

A woman with short brown hair, smiling, is sitting on a purple couch. She is wearing black stockings and a red and black thong. Her arms are crossed over her chest. In the background, there is a potted plant and a window with curtains.

VERONICA & ANTHONY & TYCE

Hello readers. I'm so happy to be here in the pages of 40+. It's been a long time since I've done a 3-way and I'm a little shy today, but I think once we start, all will be fine. Especially with these two big, strong American men. I know they can handle a lady like me. My favorite part is when I can suck both those big hard cocks at the same time. I know you guys like to see that and I'm going to do it for you! Let's start!

A photograph of a woman lying on her back, looking up at the camera. A man's penis is visible in her mouth. The woman has dark hair and is wearing a silver chain necklace with a cross pendant. The background is a patterned fabric.

This was really hot and sexy. I just loved doing both guys and they were so attentive to me. I don't think there was even one minute that a cock was not in my mouth. As soon as one finished there, the other was right behind ready for me to suck his. That was the best. I enjoy pleasing a man, and when I can please two at the same time, that's even better. You can watch me do them on my free video, too.

RAVEN SAYS: Blonde-haired cutie Raven takes a few minutes on set and tells us what it's like to be in her element.

40+: Raven, thank you taking this time from your shoot.

Raven: Oh that's okay. It's nice to take a break from all the craziness and talk with someone sane.

40+: Would you please tell us how long and how you got in the business and how many movies have you made so far this year?

Raven: I had dabbled in nude modeling for a few years, and then moving to Los Angeles, I hooked up with more people and got into making movies. That was about six years ago. As far as movies this year, I do them as I feel like it. Sometimes it depends on who paired with, but I'd say I've probably done a dozen or so, and they've all been a lot of fun. I have to say that I've even learned things.

40+: Really? Would you care to say?

Raven: Honestly, I had never done a three-way or group scene before. That was different. And silly are they are sometimes, I've learned to read scripts and I actually try to act. I think I've gotten better. But what I've learned the most is about myself and my sexuality. I like sex.

40+: Do you mean you didn't like sex before?

Raven: Well, it's not that I didn't like it, but it was predictable and had become a bit boring. But then most people in longer relationships tend to say that. What I mean is that having sex with different types of people in new situations, is quite exciting, and that makes sex fun.

40+: Now that we know that you like sex, what do you like most about it?

Raven: Like I said, some of it is the new people you can fuck. The new places you get to fuck in, and the different types of fucking that you do. I even don't mind when the director stops a scene and you have to stop and then turn it on again. That's okay by me.

40+: Do you have a favorite position or act to share.

Raven: I like it all. I like giving and getting head. I love to get my pussy fucked, and over the past couple years, I have done anal but it took about three times to feel comfortable with it. Now, I absolutely love it. The other thing I like is having to put my body into different positions for a fuck. In your regular sex life, you're probably not as adventurous, but when the director says stand on your head and blow him, that's exciting and different..

40+: May we ask what you're filming today?

Raven: Sure, it's a MILF video where I'm seducing my son's teammate and he comes to the house looking for him. We end up fucking in the bedroom and doing a full blown anal scene. I thought that was pretty hot.

40+: What's next for you?

Raven: In this business, I have three more scenes to film and a couple industry events in LA and Vegas by the end of the year, then I'm headed back east to be with my family and friends. Can't wait to see them.

RAVEN & ANDREW

It's a lazy day and I'm waiting for my friend Andrew to come over. I promised him a home cooked meal if he would fuck me. And I promised I'd bake him chocolate cake if he would fuck my ass. Do you know anyone who could resist that? I don't think so.

Oh, there's my doorbell. See you in the kitchen!

That was nice. I got my wish and now I'm going to make his cum true. But first I have to make him cum and I'm going to use his jizz as part of the frosting for the cake. It makes for better batter and brings out the chocolate flavor even more. I've tried it in pies but I think it works better in cakes. If you ladies have the occasion to get some fresh, you have to use it right away. There's nothing like using fresh ingredients. Now where's the measuring cup?.
